

DSC
When Safety Matters

Reliable Integration Partners for Every Phase of Construction.

From design-build to retrofit projects, DSC delivers fully compliant, seamlessly integrated life safety and security systems—on time and within spec.

All Systems. One Partner.

Fire Alarm Systems

Engineered, code-compliant systems for commercial & industrial facilities.

Video Surveillance

Cameras, mounts, recorders, and VMS solutions & cloud-based solutions.

Access Control Systems

Secure, manageable entry systems designed for safety, compliance, and convenience.

BDA/Emergency Radio

In-building radio amplification that keeps first responders connected when it matters most.

Communication Systems

Paging, intercom, and distributed audio solutions that keep teams connected across every facility.

Structured Cabling

The connected backbone that supports and unifies every DSC-installed system.

Built for Construction Efficiency

DSC supports contractors from design through commissioning—handling submittals, as-builts, and AHJ coordination. Our field-tested project managers and NICET-certified technicians make system integration straightforward for every stakeholder.

A Partner You Can Count On

With 45+ years serving Texas builders, DSC understands the pace and precision of construction schedules. When timelines matter and accountability is key, DSC delivers.
